

Dear Local Resident to Camino Corto Open Space,

This is a courtesy notice from the Isla Vista Recreation and Park District regarding an upcoming site improvement in your area.

The Isla Vista Recreation and Park District will be coordinating work starting **Monday 11/23/2020 through February 1, 2021** to address deferred maintenance that is a safety concern to the Camino Corto Swale running north to south (see the yellow area denoted in the map below). We have received biological clearance to perform the work.

Please contact us if you have any questions.

(805) 968-2017

Sincerely,

Isla Vista Recreation and Park District
