

# Adopt-a-Block

Adopt-a-Block is an Isla Vista Recreation and Park District program focused on keeping the streets of Isla Vista clean. IVRPD formed the Adopt-a-Block program in partnership with the Goleta West Sanitary District, to combat litter and micro trash that collects in and around Isla Vista neighborhoods and Parks. Goleta West Sanitary District's mission is to protect the environment and the public's health and safety while providing efficient, responsible service.

## Stewardship Saturday

IVRPD hosts stewardship events every Saturday. Stewardship projects offer the community hands on volunteer experience within three park sites: Tierra de Fortuna, Estero Park, and Downtown Parks. Each volunteer event will consist of an orientation, 2 hours of work, and a 30 minute community building activity.
