## P.D.G.A Rules Prevail with the following local rules:

- 1. Tread lightly: Stay on paths and open areas.
- 2. Out of bounds: Your Disc is out of bounds when it leaves the course, as marked by the white stakes. Out of bounds throws are played where the Disc leaves the course. \*\*When a Disc is thrown out of bounds, add 2 strokes to your score. When thrown out of bounds on hole 9, (into the children's play area), add 5 strokes.
- If your Disc lands in someone's property, you <u>must</u> obtain permission before entering their property to get your Disc back.
   This includes Community Gardens plots.
- 4. Respect the plants, birds, animals and people who live in the area. Take steps back or sideways before throwing to avoid standing in bushes or hitting trees with your next throw. The health of trees and bushes is of primary concern in this course.
- 5. Respect all course neighbors by playing quietly.
- 6. Have a good time and help keep the course open and clean!
